

The St. John Eudes School Annual Fund Campaign

Raising Leaders with Open Hearts & Open Minds

For over 50 years St. John Eudes School has accepted the mission of educating students in faith and knowledge. We model Jesus Christ by centering our teaching on integrating faith, life, and learning. We strive to perform this mission by keeping costs affordable to all students seeking a Catholic education while providing them the resources necessary for a quality learning experience. Your contribution to our Annual Fund will make it possible for us to complete our important mission. Donors will be recognized on a yearly Honor Roll maintained in our school office and will also be recognized for their contributions in a special Annual Report to be published at the end of the campaign year.
